

2019 John Knox Presbyterian Church
SUMMER CAMP

Registration opens to public April 1st!

Registration will continue throughout the spring or until slots are filled.

Dear Families,

Believe it or not, it is already time to think about the upcoming summer and activities for your children. John Knox Presbyterian Church is offering a summer camp for infants, 3 months, through current 5th graders.

Our summer theme is '*God's Promises*'. Each week we'll have lots of creative fun & an array of activities with our 'color of the week' while we explore a different Bible story related to the promises of God. Along with arts and crafts, stories, hands on activities, and lots of outdoor playground and water play. We will also be offering some special events and guests for our campers! We are able to offer these added activities at a minimal cost due to an educational grant awarded to us!

Click on the links for the information about the specific events and any accompanying fees, our weeks of operation (camp program & extended hours), and all Registration forms. **Please understand that registration for camp days and extended hours depend upon availability and are on a first come, first serve basis.**

I encourage you to plan as far ahead as possible as staff needs are determined by enrollment numbers. **Please contact me with any questions, to set up a tour, or for registration times. (Due to limited availability no registration will be guaranteed by phone.)**
