Names of those authorized to pick up your child:

Name _____ Phone# _____

Name _____ Phone# _____

Medication Policy:

John Knox Summer Camp will keep the administration of medications to students at a minimum or in emergency situations only. The Director must be informed prior to any administration of medication & the following will be followed:

1. The only medications that we will administer to children are:
 - Diaper creams/powders
 - Gas drops for infants
 - Breathing treatments as prescribed by a doctor for children with asthma
 - Benedryl and/or inhalers in allergic situations (You must provide.)
 - Epi-pens for allergic reactions
 - Minor cuts, scrapes, bug bites and bee stings (if no allergy) will be treated by washing the area with warm, soapy water/ice pack/bandaids

**** We will NOT administer any over the counter cold/cough/general hay fever type medicines
2. Parents/Guardians must provide a written/signed consent to the Direction prior to the administration of any approved medications.
3. All medication shall be kept in a high or locked cupboard out of reach of the children or in a locked box in the Director's office. Epi-pens will be kept in the Director's office along with the allergy treatment form from the parents. Each teacher will keep a child's epi-pen in their possession if on a field trip.
4. All approved medication must be in its original container and be labeled with the child's name, parent or physician's name, pharmacy, medication, dosage, frequency, starting date and end date, if applicable. An "Individual Record of Medication Given" shall be signed by the parent and if applicable, posted with the medication. Staff members will double check the label prior to administering any medications and if the label is illegible, parents will be informed and medication will not be administered.
5. If a child needs an unauthorized prescription or over the counter medication for colds, coughs, lasting effects of recent illness, etc, a parent ore parent designee must come and administer that medication.
6. Please note- medications cannot be left in diaper bags or backpacks in reach of other children
7. Parents will be notified immediately if an adverse reaction to medication occurs.

Please keep your child at home if he/she has a sore throat, nausea, diarrhea, very loose bowels, skin rashes, vomiting, several cough, ear aches, enlarges glands, thick or colored nose mucus, pink eye or a fever.

Your child must be fever and vomit free for 24 hours before returning to school. A fever is anything 100+, taken with an ear thermometer. **There must be a 24 hour fever free period without any over the counter medications.**

If a child develops any of the above symptoms or complains of generally not feeling well, a parent will be notified to pick them up immediately.

Please notify your teacher if your child contracts any contagious illness. We do everything we can to insure the health of our teachers and children. We appreciate your help in preventing the spread of communicable disease & sickness!!

Discipline Policy:

Discipline procedures are as follows:

1. The child is given several gentle reminders of acceptable behavior
2. The child is removed from the activity in which the behavior is occurring and redirected by the teacher to another activity
3. The child loses the privilege of playing in a particular center or activity for a specified amount of time appropriate for the child's age. Teachers may have their own behavior system in which the child may lose a token or symbol at this age
4. The child is removed to a time out area inside the classroom and for a time period that matches their age and/or the teacher will take the next step in their own classroom behavior system. Parents will be notified by the teacher when this step occurs.
5. If inappropriate behavior continues, the time out process will be repeated and the Director will be notified.
6. When these steps have been exhausted, a parent conference will be called and include the parents, Director and the teacher. Suggestions may be made to help modify the behavior or outside resources may be recommended.
7. We reserve the right for disenrollment of a child in the event they are unable to acclimate within the boundaries of our program.

** When steps 4, 5 and 6 are reached, documentation of the incident, activity and behavior will be made.

.....
