

JOHN KNOX KINDERGARTEN / PDO  
HEALTH POLICY  
School Year 2019 - 2020

The following is the health and sickness policy for John Knox Kindergarten and Parent's Day Out Program. Please read thoroughly and sign at the bottom.

1. Please keep your child at home if he/she has any of the following symptoms: Sore throat, nausea, diarrhea or very loose bowels, skin rashes, vomiting, severe cough, ear ache, enlarged glands, thick or colored nose mucus, pink eye, or fever.
2. Your child must be fever and vomiting free (without aid of medication) for 24 hours before returning to school. A fever is considered anything 100 or above, taken with an ear thermometer. Thus, if your child is sent home with a temperature on Tuesday, he / she cannot return on Wednesday. **There must be at least a 24 hour period of no fever without over the counter medications.**
3. If a child develops any of the above symptoms at school or complains of not feeling well, a parent will be notified to pick them up immediately. (Complains of feeling nauseated, registers a fever on our thermometer, has difficulty keeping nose clean due to severe mucus, or coughs so that activities are disturbed, or generally are not themselves and participation in class is affected.)
4. Please notify the teacher or director if your child contracts any contagious disease such as strep throat, chicken pox, pink eye, etc.

We do everything we can here at the program to insure the health and safety of your children. We appreciate your help in preventing the spread of communicable disease and sickness.

THANK YOU!

I have read and understand the health and sickness policy for John Knox Kindergarten and PDO, and will abide by the regulations set forth.
